The screenshot shows a web browser window displaying the 'MyAccount' page for Penny Howard. The page is titled 'Welcome Penny!' and features a navigation bar with 'MY ACCOUNT', 'HELP', and 'LOGOUT'. Below the navigation bar, there is a 'Family Members' section with four user cards: Father Pappas, Penny Howard (highlighted with a red border), Joanne Pappas, and Devin Pappas. Each card has a 'View Details' button and a list of options: 'Update Photo', 'Print Documents', and 'View Payments'. Below the family members section, there is a horizontal menu with tabs for 'Personal Info', 'Applications', 'Details', 'Certificates', 'Teams', 'Events', and 'Referee Schedules'. The 'Teams' tab is selected, showing a table with columns for 'Team', 'Team Id', 'Season', and 'View'. The table contains one entry: 'FWFC 600 Blue (A)' with Team Id '0302-112CB17-2570' and Season 'Fall 2016-2017'. The 'View' column for this entry has links for 'Team Info' and 'Apply to Tournament'. It will bring you to a screen which populates your full schedule (home and away). Even if there is a result posted you are supposed to enter a result code as well. Please click the box that shows your teams score. A new page will pop up and you will be able to enter your results.

If you have entered a result the game stat entry will post on the very top line of the page... It will display who entered the match results last and when.

If no results have been entered by your team at this point you would see (0) for both home and away scores even if the opponent has already populated a result.

Please enter your scores for both home and away.

If you have goals or cards you would enter this information from the section listed "Goals/Cautions/Ejections"

Select the player's name, the item type (goal, caution, ejection) and reason (if a caution or ejection) then add.

Goals/Cautions/Ejections		Goals/Cautions/Ejections	
--Select Admin/Player--		--Select Admin/Player--	
Item Type	Reason	Item Type	Reason
--	--	--	--

If your player has a caution or ejection the reason box will populate with options. Below is a list of the options you may enter into the affinity system.

- DR - CAUTION - Delay Restart
- DT - CAUTION - Dissent
- E - CAUTION - Enter field improperly
- FRD - CAUTION - Fails to Respect Distance
- L - CAUTION - Leave field improperly
- PI - CAUTION - Persistently Infringing Laws of the Game
- UB - CAUTION - Unsporting Behavior
- 2CT - EJECTION - Second Caution
- 2S - EJECTION - Admin Two Suspensions
- AL - EJECTION - Abusive / Offense Language
- DGF - EJECTION - Denies Goal scoring opportunity by impeding Foul
- DGH - EJECTION - Denies Goal scoring opportunity Handling
- IRB - EJECTION - Irresponsible Behavior
- S - EJECTION - Spitting
- SFP - EJECTION - Serious Foul Play
- VC - EJECTION - Violent Conduct

Once all stats are entered (score, goals, and cards if applicable) **ALWAYS Save Stats & Comment** even if you do not have any comments. Then you may close the page. The results will populate once refreshed. If there is a conflict you will notice a **red (C)** in the scores box. This could be a result of you and your opponent entering different results (scores) OR you and your opponent not entering the same information with regard to cards issued. This will not occur if either has not entered the goal scorers.
