Please print 2 copies

- When you select the option to print your game day roster it will download to a PDF.
- Please print 2 copies of your match roster and bring along with you to the field with your player cards.
- At the conclusion of the match please collect your match report from the referees and confirm any/all cautions/ejections and goals before leaving the field. *** better if you have the opponents team manager/ representative present so both can ensure accuracy when entering results into the Affinity system.*
